Life Membership Awards

A Life Membership is offered to committee members who have provided outstanding service, involvement devoted and who is true-hearted. Also, they have served the committee of 300 for over 15 years and have provided substantial benefits over that time.

Their many years of involvement as a committee member were spent volunteering their time and skills for all the committee's social, community services and promotional events. They have contributed for many years to the Board of Directors in addition to their duties during race weekend.

The Board of Directors of 2022-2023 and 2023-2024 have come to unanimous discussion that two beloved members have proven their value to the Committee of 300 due to their dedication and loyalty to our committee. These two members exemplify what the Committee of 300 stands for.

We are honored to bestow two members with the Committee of 300 Life Members Award this year. Congratulations to Ed Klotz 2022-2023 and Pat Mohler 2023-2024.

Ed Klotz

Member for more than 40 years with the C300. Originally from Long Beach, but currently residing in Huntington Beach, where he is actively in the Community's Emergency Response Team. When and wherever he is needed, Ed will still be available to assist.

Pat Mohler

Member for 21 years, originally from Portland, Oregon. Proud mother to one daughter, two grandchildren, and two great grandchildren. Pat continues to be highly involved in church. She loves watching movies, joining tea parties, and participating in any activities by the ocean.

Address: 6346 Pacific Coast Hwy. Long Beach, CA

The Activities Committee has scheduled a movie night for their August Activity. It is the perfect summer movie called **Gran Turismo**. Based on the true story of Jann Mardenborough, the film is the ultimate wish fulfillment tale of a teenage Gran Turismo player whose gaming skills won a series of Nissan competitions to become an actual professional race car driver.

Prior to the movie they would like us to meet up at Acapulco and enjoy some food and beverages. Once they determine the time of the movie we will make our way to AMC Marina Pacifica 12.

Ronald McDonald House Pop Tabs Program

Nationwide and all year long Ronald McDonald House collects pop tabs. Pop tabs are also known as pull tabs, which are the aluminum tops from cans of soda and other beverages. Pull tabs can be dropped off at the House year round and are recycled. The funds raised by this recycling are used to help support the day to day operations of their House and support their mission of providing a comforting "home away from home" for families with seriously ill children receiving treatment in Long Beach area hospitals. The Committee of 300 will have a box prepared to collect these tabs. You can bring what you have collected to any or every monthly Governors meeting through out the year. Let's start collecting, every tab counts!!
