Belmont Shore Car Show

It is back for their 32nd Year! This is one of the largest one-day classic car shows on the West Coast. This year's car show will showcase approximately 500 cars with a widespread variety of classic cars, custom cars, and hot rods. View cars along fourteen blocks of Long Beach's Second Street and many of the adjacent side streets in the amazing Belmont Shore.

This event draws approximately 50,000 attendees and an assortment of vendors, not counting the amazing restaurants and shops. Mark your calendars for **Sunday, Sept. 10th** as the Belmont Shore Car Show returns from **9am - 3pm**.

A few of our members will help man the Grand Prix's booth promoting next year's Grand Prix. Come and check out the cars and the booth. This event is free to spectators so wear your C300 red gear and see you there!

Location: 2nd Street, Long Beach, CA

September Social Activity

Friday, September 22nd

Gauchos Beach

Address: 780 E. Shoreline Drive. Long Beach, CA

Save the date for our September Social Activity event on **Friday, September 22nd @ 6pm**. Please join us at Gaucho Beach in Long Beach. It is located right behind the footprint of our Club 300 during the GPLB. Being an Argentine and Californian cuisine restaurant, their extensive food menu includes several vegan and vegetarian options. On the menu are seafood dishes like seafood paella, wood-fire grilled salmon, and sea bass. If you're really hungry, you can also have an entire tomahawk rib-eye steak with two sides. This event will be a no host event. There will be a menu of wine, bottled and draft beer, sangrias, and craft cocktails available. This is a beach-side venue and it would be exciting to experience a new place together.

Ronald McDonald House Pop Tabs Program

Nationwide and all year long Ronald McDonald House collects pop tabs. Pop tabs are also known as pull tabs, which are the aluminum tops from cans of soda and other beverages. Pull tabs can be dropped off at the House year round and are recycled. The funds raised by this recycling are used to help support the day-to-day operations of their House and support their mission of providing a comforting "home away from home" for families with seriously ill children receiving treatment in Long Beach area hospitals. The Committee of 300 will have a box prepared to collect these tabs. You can bring what you have collected to any or every monthly Governors meeting throughout the year. Let's start collecting, every tab counts!!
