FEBRUARY 2025

RACE MANAGEMENT Update

Officially the Grand Prix starts in 1 month and 3 weeks.

It is the time of year where I remind everyone, particularly our newest members and volunteers, about the importance of preparation. Hosting a live event means we have one chance to get it right. There is no 2nd take, no do over. When the clock counts down to zero we go live and we better be ready.

There are two mandatory meetings in March to strengthen the C300 culture and membership experience. Tammy from the Grand Prix office will fill us in on everything we need to know about tickets and parking. And we will talk about what to wear on race weekend, what to bring, easiest place to enter the circuit and check-in, I'm here now what, q & a. This meeting takes place at the GP office @ 3000 Pacific Ave.

On the 29th, we have the TrackWalk. We meet behind Grandstand 24 on Shoreline Dr where you will learn how to work a grandstand from inside one. Then we take a walk, show you around to familiarize you with your surroundings ahead of time.

Upon the conclusion of these two meetings you will be ready for the adventure. Other events to be aware of and participate in can be found on the calendar.

See you at Kick Off!

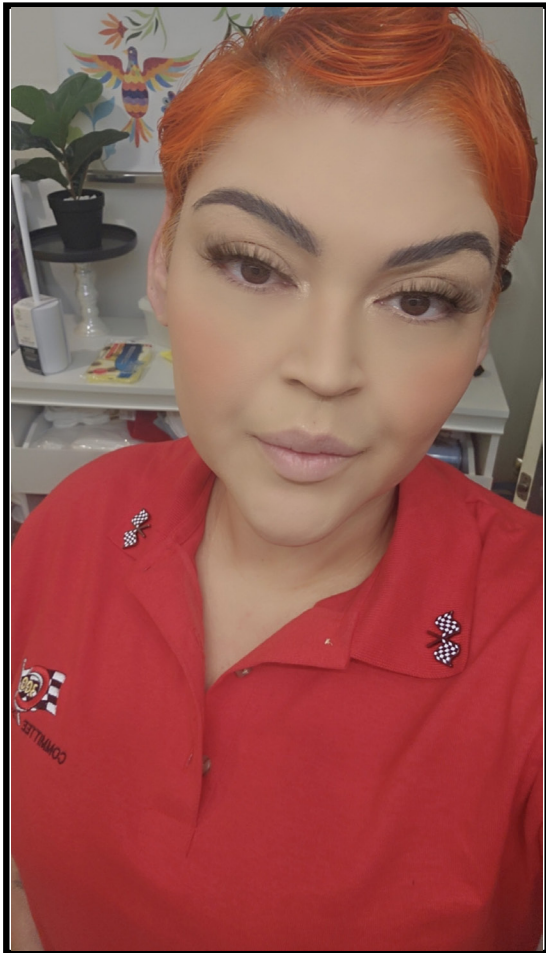

Chris Gehman

Race Management Director.

NEW MEMBERSHIP DIRECTOR

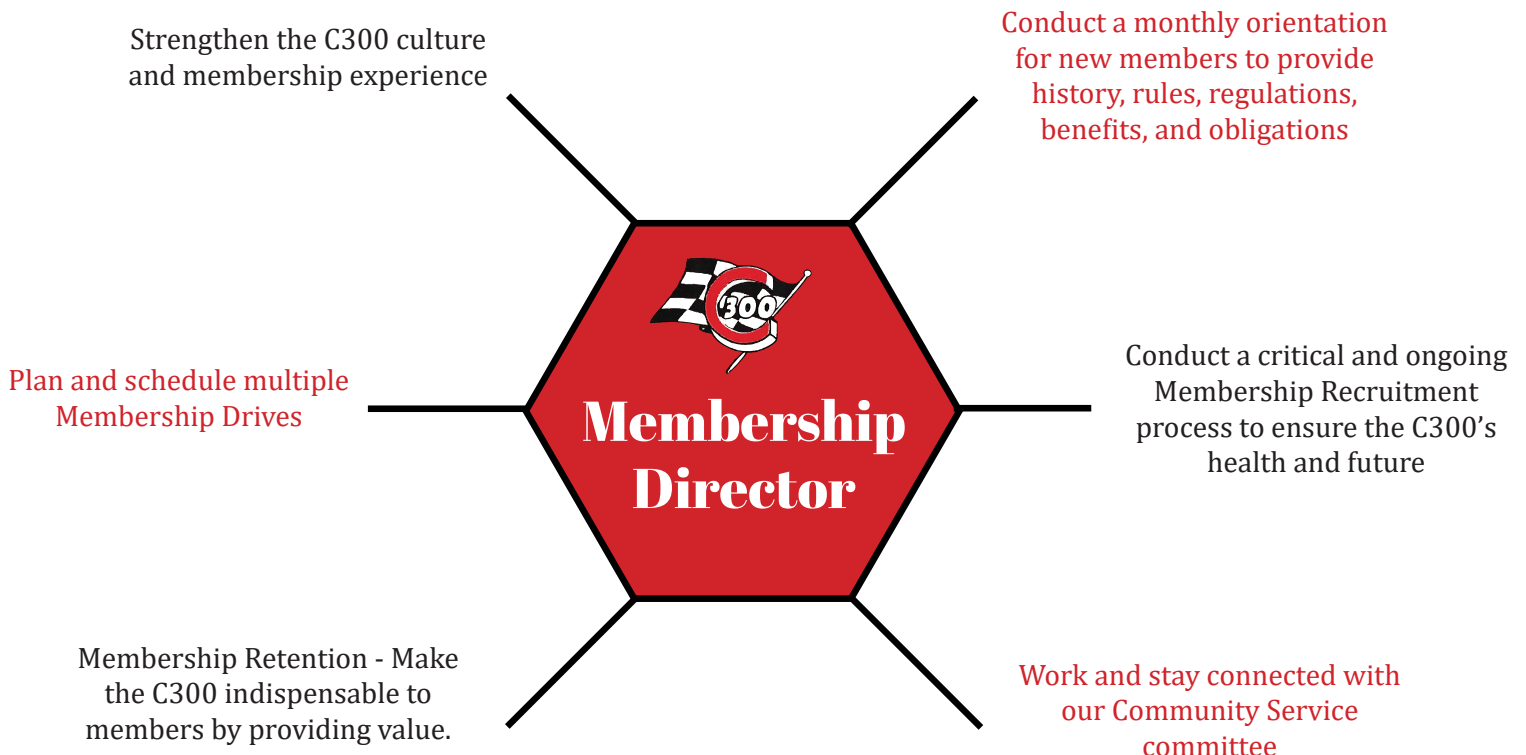

We are eager to announce and give a warm welcome to our new Membership Director, **Angee Villalobos**.

To attract new members, the Membership Director organizes and carries out social events and marketing campaigns. She will lead new members' orientation sessions so they may thoroughly understand the Committee's background, policies, responsibilities, and advantages. Last but not least, this Director develops and carries out a strategy to collaborate with the other Directors in order to optimize membership retention.

She joined us in June 2024, and when our year began in July, she immediately joined the Activities subcommittee. She has been an involved member and has been seen at C300 social events throughout the community. Her cooking skills have been noticed by many members as well. For several months, Angee has been interning with me for the membership position. She is organized, which is a great benefit in this position, and she is professional with her communication skills whether it is in person or in writing.

Her addition to our C300 Board of Directors team is greatly anticipated. Please give Angee a congratulations when you see her. She can also be reached at angeeeveee562@gmail.com.
